CORE COMPETENCIES

Management Solutions creates customized, data-informed solutions that deliver measurable, sustainable, positive impact for clients by providing:

-  Project strategy, delivery, and implementation
-  Organizational maturity solutions, project personnel training and advisory services
-  Clean energy program management
-  Environmental services
-  Facilities, operations, and administrative management

PAST PERFORMANCE

- **DOE Office of Clean Energy Demonstrations:** Programmatic support to HQ and advisors
- **Consolidated Nuclear Security:** Project controls, project management, change management, process improvement; assessed and trained project personnel
- **Oak Ridge National Laboratory:** Project Management System Development, Implementation, EVMS Maintenance and EVMS training, & staff augmentation
- **Los Alamos National Laboratory:** Comprehensive project controls services including project scheduling, EVM System Architecture Schema, EVMS, change management planning, stakeholder analysis.
- **Princeton Plasma Physics Laboratory:** Planned, conducted, and documented EVMS surveillance; Ensured that procedures and documentation complied with EIA 748D requirements and data was reliable; Assessed implementation of corrective actions to sustain compliance
- **National Nuclear Security Administration:** EVMS, estimating, scheduling, and risk SMEs to perform a Performance Measurement Baseline (PMB) Readiness Assessment and produce guidance and plans for compliance.
- **Oak Ridge Office of Environmental Management:** project management, environmental compliance expertise to deal with issues that could slow the progress of modernization and impact its cost
- **US Army Corps of Engineers:** Prepared eligibility (FDE) documents for Formerly Used Defense Sites (FUDS); Performed a Data Gap Analysis; Performs environmental groundwater sampling and monitoring to advance toward closure; monitors well abandonment; conducts vapor intrusion study; enhanced monitored natural attenuation (MNA) injections/targeted performance monitoring

COMPANY DATA

- **8(a) through 2027, WOSB, EDWOSB**
- SAM UEI: Y653M5L5MEJ7
CAGE code: 3CNF4
- NAICS: 541611, 518210, 541330, 541511, 541519, 541618, 541620, 541690, 541990, 561110, 561210, 561320, 561990, 611430, 236220, 237310, 237990
- GSA Contract: 47QTCA18D000H
- SINs: 541330ENG, 54151HEAL, 541611, 611430, OLM
- SCMC Honeywell WS180126
- TEPS III BPA

DIFFERENTIATORS

- Managed >\$10B in projects, with unique expertise in complex DOE and defense projects; current projects in 24 states & UK, worked in 8 out of 10 DOE labs
- Worked in nine (9) USACE Districts, and at Division and HQ level of USACE
- Implemented solutions enabling clients to avoid >\$25M fines
- Reduced claims by 90% of value through SME/claims support
- Proprietary workforce development solution, including: Project360™ maturity assessment, ELITE™ Practicum, and Human Capital Dashboard™
